

Weston 50s and 60s Review

Weston 50s Whites finished the Somerset FA league in second place. This was a disappointing conclusion in not winning the competition. The team had a few off days during the season. However they were the only team to beat Keynsham the eventual winners. Player coach Keith Seabourne paid tribute to Keynsham " They were the most consistent team this season and deserve their success. They didn't beat us and we did beat them. We had some off days and drew too many games when we should have won. It has hit us hard and we are more determined than ever to win the title back next season."

Weston 50s Reds had a new Management team this season in John Budd and Dave Shilton. John summed up the season " It was a difficult season for us as we had a lot of injuries. We have learnt a lot not only about our team but also about ourselves. Joint Managers will only work if we trust each other and able to have frank conversations. When we put out a strong team we held our own with every other team. We are already planning for next season. We have retained the players we want and already have a couple of new players who will strengthen the squad.

The Gloucester FA league has just restarted with things going well for both the 50s and 60s. The 50s Manager Lach Geddes said " We have got a couple of new players this season who have strengthened the squad. We have played a couple of rounds and sit at the top of our league."

The 60s Manager Arie Van Vliet commented "We also have played 2 rounds and sit top of our league. Some of the 50s squad now qualify for my 60s team and bring a lot of strength and experience. We remain unbeaten and have yet to concede a goal.
